THANK YOU NEVILLE NORWELL!

I know that all the members of the Heretaunga Building Society would want to join with me in thanking Neville for his twenty-one years of outstanding service to the Society. His back-ground as a leading architect was invaluable, especially when it came to inspecting and assessing properties and their valuations when offered as security for mortgage loan applications. He regarded his directorship as a serious responsibility, and over all those years, rarely missed a meeting. Thank you, Neville – enjoy your retirement.

WHILE WE'RE TALKING ABOUT LOYALTY....

Our Annual General Meeting wouldn't be the same without the continuing support of those longstanding family members whose presence we rely on year after year to make the meeting "tick". I've just got to single out one such family, - by Val and Len Smith. They're a real inspiration. They don't just sit there, they participate, moving this motion, seconding that one.

Thank you Val and Len.

WE'LL HELP TO FILL YOUR TANK!

Will this be your lucky month? We'll be giving away \$100.00 worth of petrol vouchers to one of our members whose name comes up in the computer "Lucky Member" draw. If you miss out, you'll get another chance next month, and the following month, and the month after that!

GOOD LUCK!

ANOTHER \$500 FOR JUNIOR GOLF

In case members have forgotten, back in 2005, Heretaunga began sponsoring the 13th hole at the Hastings Golf Club, offering \$250 to the member who holes in one, and giving a further \$250 to the Club's Junior Golf Programme. Up until June this year, there had only been five holes-in-one at this difficult par-3 hole, but in July two players, Phil Cranswick and Justin Campbell, played the perfect shot, taking Heretaunga's contribution to Junior Golf to \$1,750!

Pictured, left to right, Phil, Justin and Heretaunga Chairman, Jim Harvey.
